Dear School Nurse,

We'd like to make you aware of a remarkable program that is available to your students that might not otherwise have the means to visit a dentist for emergency or preventative care.

Every February dentists throughout NJ offer **free dental care** for children ages 12 and younger. In 2017, **Give Kids A Smile Day is Friday, February 3<sup>rd</sup>**. There are **over 100 participating dental offices** available for parents to schedule an appointment at a location of their choice.

**Give Kids A Smile NJ** would like to help your students start each school day with a healthy smile!

**Parents and families can participate in GKAS by:**

- Marking their calendar - Friday, February 3<sup>rd</sup>, 2017
- Calling the location of their choice to set up an appointment
- Visiting our website [www.njda.org](http://www.njda.org) for more information

**Attached is a list of all participating locations. Please copy and distribute this list to your students.**

Additional information is available on the New Jersey Dental Association website: [www.njda.org](http://www.njda.org). Give Kids A Smile can be found under the "For the Public" tab.
