

# PLAYER DEVELOPMENT PROGRAM

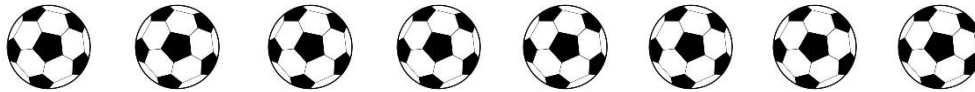

**T-Shirt & Ball**

## SPRING 2017

**Ages 5-9 Years Old**

DELRAN SOCCER CLUB presents the annual Player Development Program (PDP) for Boys & Girls (5-9 yrs old) in the Spring of 2016. There is NO BETTER soccer program for young players around. The program will be conducted by Delran HS Boys Coach and national-licensed Coach Mike Otto, along with Delran HS Girls Coach Tim Davidson, and many other professional-licensed soccer coaches.

The PDP's vision is to create a fun and learning soccer environment while incorporating the player development philosophies of the U.S. Soccer Development Academy. Here are some proven highlights:

- Helps develop agility, balance and coordination.
- Players are able to make choices and decisions for himself/herself.
- Maximizes active participation and touches on the soccer ball.
- Enables the player to learn the game the correct way by trial and error...by playing the game.
