

## Annual Coin-a-Day Challenge!

**Help Millbridge classrooms build their libraries while helping children in need!**

Every year, as part of our Book Fair promotion, we collect money to be donated through Scholastic's All for Books program. All for Books provides funds to our school to purchase books and other items that are vital to our teachers and students. Scholastic matches our donation to children in need of books throughout the United States. At Millbridge, we will be collecting coins in an effort to build our classroom libraries. ALL classrooms will benefit from this collection! We will collect coins each day of the week, beginning on January 22. The money will be used to purchase classroom library books from the Book Fair the following week!

**If you would like to participate, check those couch cushions, car mats, and pants pockets, and send in these coins each day:**

**Monday:**

**Pennies in honor of Pete the Cat**

**Tuesday:**

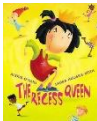

**Nickels in honor of Fancy Nancy**

**Wednesday:**

**Dimes in honor of Dog Man**

**Thursday:**

**Quarters in honor of Recess Queen**

**Friday: ANY COINS FOR THE LOVE OF ALL BOOKS!**

**If we reach our goal of \$500, our school will celebrate with a PAJAMA DAY!**
