

STEAM Up Summer Camp Returns to Delran for Summer, 2018

****Featuring new opportunities for older students!***

EARLY BIRD DISCOUNT DEADLINE APRIL 30, Registrations accepted until June 1

Payment Plan available - see registration forms for details!

The Delran Public Schools are pleased to continue a summer enrichment opportunity in the STEAM field (Science, Technology, Engineering, Arts, and Mathematics). This summer camp-style program will be open to students entering 3rd, 4th, 5th and 6th grade in September 2018. Designed to inspire our next generation's great thinkers, students will be solving fun engineering design challenges connected to real world problems, while incorporating the arts. **New this year**, students entering grades 7-12 can participate in a one-week Summer STEAM Academy. The STEAM Academy will feature a unique blend of sustainability, horticulture, and culinary arts Farm-to-Fork experience.
